

## PREPARING A RESOLUTION TO BE CONSIDERED BY THE NATIONAL CONVENTION

The policy of the Veterans of Foreign Wars is established by resolutions adopted by the delegates attending Department and National Conventions. Most such resolutions originate at the Post level and are passed through the District and Department before being acted upon at a National Convention. Many times, an otherwise worthy idea gets nowhere merely because it is not correctly presented.

A resolution contains two separate parts; a statement of the problem to be solved, and the proposed solution to the problem. The problem is outlined in the "WHEREAS" clauses, and the proposed solution is given in the "RESOLVED" section.

The "RESOLVED" section of a resolution should be complete in itself without depending on the "WHEREAS" clauses to give it meaning.

### EXAMPLE

WHEREAS, the rising cost of living has created an intense hardship on those disabled veterans whose only income is a meager pension check; now, therefore

BE IT RESOLVED, that we petition Congress to enact legislation which would provide a substantial increase in non-service connected pension rates.

(Note: The "RESOLVED" section has a proposed solution that makes sense and can stand alone without the "WHEREAS" clause giving it meaning.)

If a resolution deals with a local problem, it needs no action on a level higher than that of the Post. If the problem concerns an area larger than that served by the Post, it should, after Post approval, be presented before the District or County Council. All resolutions of statewide, regional or national concern must be acted upon by the Department Convention. Those resolutions approved by a Department Convention, which affect persons or matters outside the state boundaries, must be forwarded to the National Convention for final disposition.

When submitting a resolution to the Department Convention, a notation on the bottom should show the previous action taken, such as, approval by Post and, if applicable, by the District. A Post or District submitting a resolution to its Department Convention must follow guidelines established by the Department, which may require submitting the resolution to the Department Adjutant prior to the convening of the convention.

**Resolutions not in proper form with unclear meaning, or concerning matters clearly not within the scope and purpose of the Veterans of Foreign Wars cannot be considered by the National Convention.**

Resolutions approved by a Department Convention, which affect matters outside state boundaries, must be forwarded by the Department Adjutant to the National Convention for final disposition. Approved resolutions should be sent to National Headquarters at the close of the Department Convention. The Adjutant General requests all resolutions be forwarded to National Headquarters no later than five (5) working days following the close of the Department Convention. A resolution disapproved by the Department Convention or not acted upon by the Department Convention will not be considered by the National Convention.

Resolutions may also be originated by Department officers or by the Department Convention itself and acted upon by the Department Convention. A National Officer may originate a resolution concerning National affairs and submit it directly to the National Convention without Department action. Likewise, a National Convention Committee may originate a resolution and present it for approval during the National Convention.

Policy set by the National Convention is binding upon all subordinate units of the Veterans of Foreign Wars. No Post or Department is permitted to take any individual action or espouse any cause contrary to the National By-Laws or to the actions of the National Convention except that it may propose changes in policy by the preparation of a resolution for consideration as outlined herein.
