This Unity Breakfast is to honor and remember all Service Men and Women and Veterans and to raise awareness of the need for the cooperation among all people. We will be honoring and remembering The Four Chaplains and to recognize their selfless service and legacy. See Website: [www.fourchaplains.org](http://www.fourchaplains.org).

We will also be recognizing The Gold Star Mothers and Gold Star Families, so that they will not be forgotten.

We are offering this breakfast at no charge. We are hoping for a big turnout.
