

WITF's Vietnam War Stories Project is currently looking for stories from Vietnam veterans, anti-war activists, family members, conscientious objectors, Vietnamese-Americans, and others from the South Central Pennsylvania community that lived through the Vietnam War. Collected stories and photos are being displayed online on the **WITF Vietnam Story Wall**, which has been created in conjunction with **THE VIETNAM WAR**, a new documentary film series directed by Ken Burns and Lynn Novick.

Are you a Vietnam Veteran? A Vietnam era activist or conscientious objector? Do you have family that were touched by the war? Share your story and view the Vietnam Story Wall at: <https://vietnam.witf.org>

With a broad approach that explores how the Vietnam War impacted South Central PA, WITF's **Vietnam War Stories Project** is working to share the experiences of the people in our region who were touched by one of the most divisive events in American history.

Select stories may be chosen to be featured in an upcoming WITF documentary currently in production and slated for release in September 2017 to air alongside the national Ken Burns series.
