VFW Post 477 Free Lunch for WWII & Korean War Veterans Scheduled:  
Wednesday, August 29th from Noon to 2:00 PM

Dear Members,

On Wednesday, July 18th we conducted our 2nd WWII & Korean War Veterans FREE LUNCH. As we experienced on our 1st "Valued Forever Warrior Lunch", we once again had over 25 veterans show up, from 4 senior homes in the Carlisle area. Chapel Point was not able to participate on this past one but hopes to make the next one. Additionally, the word is getting out and I received a call from the Thornwald Home Activity Director requesting to be invited to future events.

Our next (3rd) Lunch date will be on Wednesday, August 29th from Noon to 2:00 PM. We will be inviting our VFW District and VFW Department of PA Commanders and staff to this event. Incidentally, Channel 27 news has heard about us and have requested to be invited to cover the event. Activity Directors have been advised of this fact, so that they can take the necessary steps get privacy protection approvals to be photographed from their veterans in attendance.

As Always... We are SEEKING VOLUNTEERS to serve food to the visiting veterans (most of whom will be in wheel chairs). Please call me at the number provided below if you are interested and able to assist at this event.

Thank You,

Rick Olson
