

Pill Bottle Donations for "Matthew: 25 Ministries"

Pill Bottles are sent to Cincinnati, Ohio and cleaned/sanitized. From there, they are sent across the world to countries in need.

Did you know that people in third world countries receive their medications in a used cloth or even a piece of scrap paper?

Nearly 70% of Americans take at least one prescription drug per day! Think of how many pill bottles that is. Not counting our furry friend's medications too!

Join us in protecting our environment and helping out people in need too
